**Saturday 10<sup>th</sup> December**

**Close up Magic with Mathew Youngs**

The definition of Close up Magic is not clear and this genre of conjuring could be described in number of ways. In a nutshell it is magic with a personal approach and an interactive feel that is usually performed for small groups of people in any range of circumstances. Professional magicians like Mathew Youngs, perform at private parties, weddings, corporate events, and many other special occasions where illusions take place right in front of the spectator's eyes and sometimes even in their own hands!
